

Patient Financial Care at Morgan Medical Center

Financial Assistance/Charity Care Plain Language Summary

Morgan Medical Center is committed to providing healthcare services to all patients based on medical necessity. We offer financial assistance to qualifying patients. Our mission is to work with our patients to find ways to make Morgan Medical Center's care more affordable. We offer several assistance options, including Indigent, Charity, and discounted care, payment plans, and online payment capabilities.

What is covered under Morgan Medical's Financial Assistance Policy (FAP)?

Uninsured patients may receive full or partial assistance for emergency and medically necessary care. An applied discount of up to 100% for patients who earn less than 200% of the Federal Poverty Level Guidelines. Patients who qualify for financial assistance will not be charged more than the Medicare discount rate. Uninsured and underinsured may also qualify for a **one time** financial assistance adjustment for medication dispensed at Morgan Medical Center Pharmacy. Services such as cosmetic procedures and other services that normally are not covered by insurance, will not receive any additional discounts.
