## Community Benefit Report | Fiscal Year 2025

Morgan County Hospital Authority • July 1, 2024 – June 30, 2025  
1740 Lions Club Road | Madison, Georgia 30650

### About Morgan Medical Center

Morgan Medical Center is a community hospital serving Morgan County and surrounding areas. From its campus in Madison, the hospital offers emergency, inpatient and outpatient care, as well as diagnostic testing, surgical services and rehabilitation. Access to these services locally helps patients and families obtain care closer to home.

Our mission is to make a positive difference in the lives of others. The hospital works to meet the health needs of the community by providing medical services, supporting patients through illness and recovery, and helping those who may have difficulty paying for care.

### Financial assistance and charity care

Morgan Medical Center offers financial assistance to patients who qualify under the hospital's assistance program. Depending on eligibility, patients may receive care at no charge or at a reduced cost. Assistance is available for qualifying emergency and medically necessary services. The hospital also provides information about discounted care and payment arrangements.

During fiscal year 2025, Morgan Medical Center reported \$2,529,826 in indigent and charity care charges. This includes care provided to hospital inpatients and individuals receiving outpatient services.

### Indigent and charity care provided in FY2025

| Type of care | Indigent care | Charity care | Total charges |
|--------------|---------------|--------------|---------------|
| Inpatient    | \$417,975     | \$34,224     | \$452,199     |
| Outpatient   | \$2,017,623   | \$60,004     | \$2,077,627   |
| Total        | \$2,435,598   | \$94,228     | \$2,529,826   |

### Estimated cost of care

The estimated cost of providing indigent and charity care during FY2025 was approximately \$1,215,000, as reported in the Authority's audited financial statements. This amount was calculated using the hospital's ratio of costs to gross charges and is separate from the charges reported above.

### Supporting our community

The hospital's contribution to the community goes beyond treatment received during a hospital visit. Morgan Medical Center supports health education, screenings and wellness opportunities and uses community health needs assessments to identify priorities and help guide services. These activities reflect the hospital's continuing commitment to access to care and the health of local residents.
